- ☐ Statutory Exemptions. (State code number):

Reasons why project is exempt:

Section 15301(c), Class 1, Existing Facilities, allows for operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, or mechanical equipment involving negligible or no expansion of existing or former use. Replacing the existing entryway doors clearly qualifies under this exemption as it constitutes a minor exterior alteration to an existing public facility.
