**Project Description**

**Project Title:** Mt Baldy Road and Big Butch Wash –  
Emergency Activities

**Project Location:** The affected County facilities are located  
in the unincorporated community of Mt. Baldy in San  
Bernardino County

**Project Description:** Heavy rainfall can result in significant  
increased runoff and sediment/debris flows which has  
historically eroded, washed out, and inundated Mt. Baldy  
Road, posing an imminent threat to life and property. Project  
includes, but is not limited to, the excavation/removal of  
accumulated sand, silt, sediment, debris, and rocks from Mt.  
Baldy Road and the adjacent Big Butch Wash, and returning  
Big Butch Wash flows to their ordinary flow path and away  
from the roadway. Any excess material may be used to repair  
road washouts and erosions, divert flows away from the road  
and into the ordinary flow path, and/or may be disposed of off-  
site.
